## PAE Recertification

When requesting to re-certify an approved unexpired PAE, meaning, the PAE must not be greater than 365 days from the effective date, the re-certification date must be entered into TPAES, should be the MOPD, and should match the re-certification date on the original certification page. Remember the MOPD is a known date and not a guess.

## MOPD Tips

If you enter an MOPD that is prior to the Medicaid approval date, there is no need to call in a ticket for the MOPD to be changed. We will use the latest date of the PAE effective date, MOPD and Medicaid effective date to enroll the PAE.

Due to coronavirus (COVID-19) memos and information is being shared rapidly.
